Core Competencies & Technology Stack

Creative Development

Modern JavaScript (ES6+), TypeScript, React, Next.js, Tailwind CSS, WebGL, Framer Motion.

Core Competencies

Direct-to-Code UI Architecture, AI-Accelerated Front-End Development, Native Accessibility (WCAG 2.2 AA / EAA), Enterprise Brand Systems Migration, High-Performance WebGL Interactions.

Other Interests

Typography, character design, experimental concept UI design / re-design concepts, agile / scrum methodologies, popular science, general technologies

Tech Stack & Tools

AI Coding Apps

Antigravity, Codex, Cursor

UI Design / Handoff

Figma, Adobe Photoshop ,Adobe Illustrator

Advanced Knowledge Apps

Adobe After Effects, SketchUp

Languages

Turkish (Native), English (Professional - B2), Swedish (A2), German (A2), Greek (A1), Serbian (Learning).
